Galini Hotels & Resorts

Agia Marina, Chania, Crete, Greece

Hotel Description

Located on a hillside of that picturesque village of Agia Marina. Galini Sea View is an elegant 5-star hotel with an amazing view to the open sea and consists of 297 various type rooms in total. The resort is only 150 meters far away from the endless sandy sea beach of Agia Marina and is composed from 3 main buildings. The first building is the "main/central" building which is located up to the hill, almost 150 meters away from the sea and consists of 171 standard rooms with capacity 2-3 persons in each room, 14 maisonettes with capacity 4-5 persons in each one, 8 private pool rooms with capacity 2-3 persons in each room, 7 sharing pool rooms with capacity 2-3 persons in each room. All check in and checkouts are conducting in the main building. There is a shuttle bus from the hotel that helps guests to move around by transferring them from the main bus arrival point to the main building's entrance, smoothly. Also, the bell boy is there to help guests out with their luggage. The 2nd building is "Eden" building which is located no more than 50 meters far away from the sea and consists of 30 Mountain View rooms with capacity 2-4 persons in each room. The 3rd building is the "Beach" building which consists of 67 standard rooms with capacity 2 persons in each room, and is located at the beach area, 150 meters approximately from the main building. There are 6 swimming pools in total in the hotel, 5 outdoor pools and an indoor pool. Each building has its own pool so there is no need for guests to concentrate in one pool. Additionally, there is a mini water park with slides and aqua games for our little friends and also a kids club to spend their time and enjoy themselves. In the hotel there are two restaurants, the main buffet style restaurant "Grand Blue", which is located next to the reception in the main building and also the "Laguna" Italian restaurant which is located up to the main pool bar in the main building. Guests staying at the

"Eden" building will have to walk almost 100 meters, in order to reach the main restaurant in the main building, next at the reception desk. Furthermore, guests that stay in the "Beach" building will have to walk almost 150 meters, in order to reach the main restaurant in the main building. There is also the option for those guests who face walking difficulties to reserve the hotel's club car in order to reach the main building and the main restaurant, or the ala carte restaurant or the main bar or even the reception. In the hotel there are also 3 bars. The main bar which is located in the main building opposite the reception desk, the main building's more spacious pool bar and the beach bar, located at the beach building down at the beach area. All bars serving all-inclusive drinks
from their opening time until 23.00p.m every day. After 23.00p.m there is also a wide range of drinks' variety that guests may order from the pay as you go menu. Furthermore, there are 2 snack points, free of charge for the all-inclusive guests, one at the main pool bar in the main building and also one at the beach area where the beach bar is located. All the above specified facilities offered from the ownership and our service minded staff promises to make your holidays, unforgettable. The beautiful city of Chania and the Old Port/Old town of the city that composes a magical atmosphere for the majority of travelers, abstain only 8 kilometers from the main town of Chania. Also, city's airport is half an hour drive from the hotel.
