Welcome to Armada Hotel

For Anyone Seeking on Authentic Istanbul Lifestyle in Istanbul

"If Istanbul had been properly preserved, what would we have today?"

With a spectacular view of the Hagia Sophia and the Blue Mosque, the two colossal monuments of Byzantine and Ottoman architecture at the Historical Center, Armada Hotel has been asking itself this question ever since its founding in 1994. The answers to this question have shaped what Armada Hotel stands for today. Armada delights anyone searching for quintessential Istanbul by resurrecting the culture and lifestyle that make Istanbul the great city that it is and adopting it to our time. Armada Hotel preserves, reserves and serves the life and times of Istanbul at the heart of Historical Center.

Armada Terrace

Armada Terrace is the crown jewel of Istanbul's summer nights with its unsurpassed location. One can gaze out on the spectacular skyline of Istanbul's night lights from the Terrace, which faces the Sea of Marmara, Kadıköy and the Prince Islands on one side, the Hagia Sophia and the Blue Mosque (Sultanahmet Mosque) on the other. The terrace restaurant and bar are open throughout the summer, indoor terrace is also in service during the year.

Indoor Terrace

It is possible to enjoy the same view in cooler weather as well with the transparent roof and walls of the Armada Indoor Terrace. The Indoor Terrace is decorated with colorful lemon and tangerine trees and a vibrant décor consisting of lovely plants serving as a "Winter Garden" for Istanbul with its scrumptious weekend breakfasts. Furthermore, our wine cellar contains an extensive collection of exquisite and high-quality local wines ready to be explored, shared and savored.

Terrace Bar

One of the sought-after places that Istanbulites living in the city go to relax after a hard day's work in the summer is the Terrace Bar, which offers a "Hors d'oeuvres Tray" (called as "Çilingir Tepsisi" in Turkish) with hot and cold appetizers and refreshing drinks accompanied by the music of Istanbul. Its broad sitting area with white linen cushions, wooden bar stools and white columns of light create the feeling of traveling on a comfortable boat, especially after dark.
