CALISTA
LUXURY RESORT

Calista is a young woman who was named after a queen in mythology. Calista is proud of her beauty and ventures everything to make her beauty immortal.
Eventually, she gets what she wants. Calista starts to shine with a beauty that will make goddesses envious, and she devotes herself to doing good by combining her exterior beauty with the beauty of her spirit.
Calista's soul was too beautiful for her to remain a mere mortal: Calista is a goddess of beauty, and she reflects that pure beauty. Calista, flawless beauty, the Goddess of Beauty...
