FESTIVE SEASON

2026 - 2027

A different kind of festive season

Huvafen has always gone against the grain. Since we opened in 2004, our goal has been to create something that simply couldn't exist anywhere else. The underwater spa. The subterranean wine cellar. The single dining table nine metres beneath the ocean. The feeling, every evening, that something unexpected might be just around the corner.

This festive season, that spirit is very much alive. Whether you're here for the gala dinners, the lobster on the beach, the vintage champagne on the deck at Raw or simply the wonderful hush that settles over this island after dark, we've created experiences around the things that could only happen at Huvafen.

My team and I are delighted to have you here. If there is anything that would make your stay better, we want to know about it. That's not a formality, it's how we work.

Here's to a festive season worth remembering and a new year full of whatever you're most looking forward to.

Warmest regards

Noel Cameron

The world's only private underwater dining venue: one table, nine metres below the ocean. A bespoke menu, a front-row view of the reef and a moment that stays with you for the rest of your life. Reservations are essential – and worth making the moment you arrive.

INSPIRATIONAL WELLBEING

The festive season is full-on by design. Which is exactly why Huvafen Spa exists.

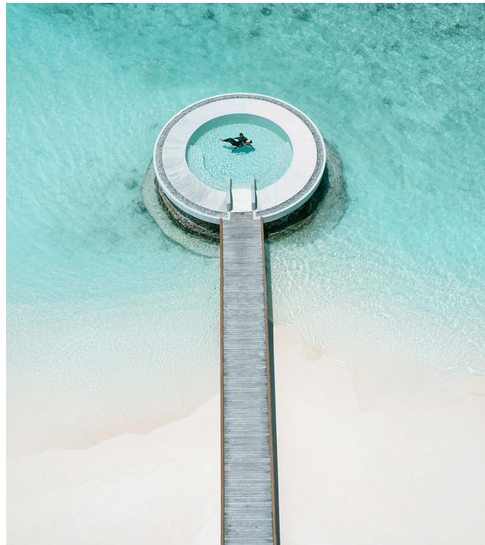

Descend into the world's first underwater spa treatment rooms and let the ocean do what it does best – calm, reset, restore. Whether you're after a deeply therapeutic massage, a skin treatment or simply a few hours of genuine silence, the spa team will design something around what you actually need.

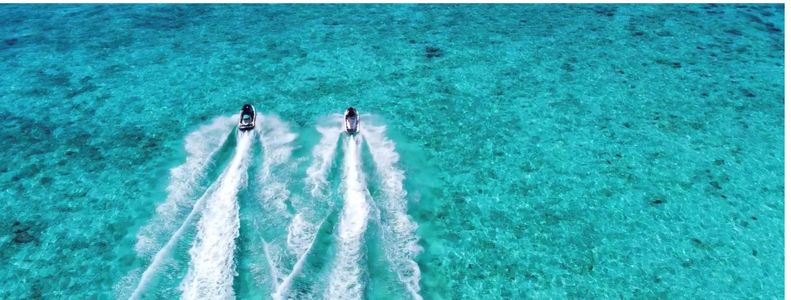

WATER ADVENTURES

The Indian Ocean is right there. It would be a shame not to use it. From diving the house reef to jet skiing and everything in between, the watersports team at Huvafen can take you from a gentle snorkel to a full adrenaline day on the water. The sea here is warm, clear and remarkably forgiving – whatever your level, there's something worth doing in it.
