HIBISCUS BEACH RESORT, SPA & DIVE CLUB is a three-star hotel in the North Coastal region of Mauritius that has established itself a reputation for excellent location and quality services. It proudly presents itself as a haven of intimacy, tranquility and relaxation to holiday makers and honeymooners.

The doorstep of our cozy lobby barely crossed, our guests will be overwhelmed by the exquisite natural beauty of our lush tropical garden. A charming, little trail of cut stones leads the way to a splendid view of the azure blue lagoon and the panoramic Indian Ocean.

Our guests are pampered by a private beach where they can relax and suntan on loungers by the swimming pool. They also have direct access to the sea and to two of the most beautiful beaches of the island- the public beach of Pereybere and Casita. The lagoon, protected by coral reefs, is a world proven paradise for swimmers, divers, snorkelers and water sports enthusiasts.
