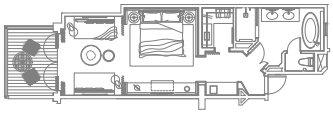
ACCOMMODATION

What's better than staying somewhere that was conceived with the sole purpose of giving you a good night's sleep? There's a variety of suites and villas from family-friendly to wellness-focused ones. All are designed to feel like beach bungalows in shades of white sand with coral and citrus color accents. The beauty is in the details, like the tables cast in reclaimed local sand. All have outdoor terraces or balconies for guaranteed relaxation.

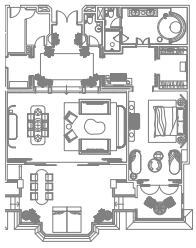
88 JUNIOR SUITES (60m²)

Located on the ground, first, and second floors, our beach hut-style Junior Suites are suffused with shades of white sand with coral and citrus color accents: bleached ash wood panels, woven rope seating, and tables cast in reclaimed local sand. The Cabana terrace area has a den day bed for lazy naps. The bedroom is a white-washed cocoon, while the Pantry is our take on the traditional mini bar. The all-white bathroom is beachy and tropical.



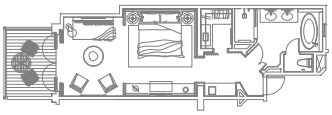
THE GRAND LUX* SUITE (240m²)

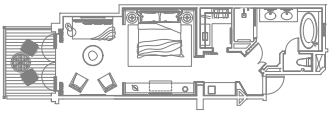
240m² beautifully designed tropical, beachy penthouse. Beauty is in the details, as seen in the eye-catching custom wallpaper inspired by the corals of the Indian Ocean, the coral closet theatrically lit to accent your attire, the bar cart fit for aperitivo hour, the cocoon couch for two with its stone-washed linens, the bedside tables made of reclaimed sand and coral.



22 WELLNESS JUNIOR SUITES (60m²)

Designed for couples or solo travellers with a love for wellness, this Junior Suite is equipped with a curated selection of wellness amenities such as a Yoga mat, exercise blocks, a complimentary coaching session at the gym, discounts at the spa... The beachy feel paired with the wellness-touchpoints is a must for travellers seeking balance. The pantry, our take on the minibar, is filled with healthy snacks, while the bathroom with its standalone bathtub and rainshower, is perfect to unwind.



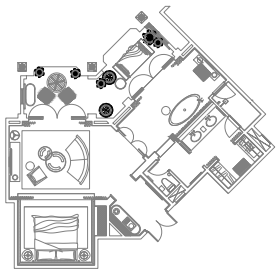


27 POOL VIEW JUNIOR SUITES (60 m²)

Conveniently located at the heart of the hotel facing the main pool, these suites are ideal for families with younger children. Imbued in shades of white sand with coral and citrus color accents with views of the pool, they are conducive to tranquillity, all while being a step away from the action. The all-white, beachy bathroom has a standalone bathtub and rainshower.

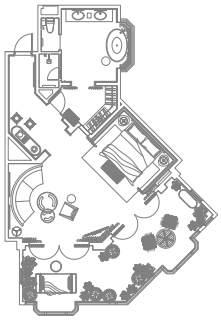
7 LUX* SUITES (90m²)

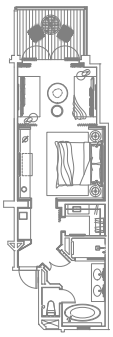
An intimate, romantic beach hideaway for two. The white-washed bathroom is chic and tranquil. The lounge area, draped with sheer linen, feature our cocoon couch for two. There's a boudoir bar with a beverage bar cart – take your drink to the outdoor cabana space, where you can dine in room. There's a swing bed overlooking the beach, perfect for naps. The spacious bathroom has an oversize bathtub for two. And the coral closet has a gorgeous, custom print wallpaper inspired by corals.



4 OCEAN SUITES (90m²)

Roomier than the Beach View Suites, our Ocean Suites are suited for couples in search of a beach hideaway and all the privacy. Fall asleep to the soothing sounds of the breeze and the waves. At dusk the cocoon-like room is magically lit to bring a warm tropical glow to the space. Unwind in the standalone bathtub or with an aperitivo in the cabana-style den bed on your terrace. The bathroom is tropical with a rainshower as well.





25 BEACHVIEW JUNIOR SUITES (60m²)

Located on the ground, first, and second floors, our beach hut-style Beach View Junior Suites come with gorgeous views of Belle Mare's idyllic beach. The interiors, suffused with shades of white sand with coral and citrus color accents, are chic and serene. Perfect for couples or families with young children. The terrace has a den day bed for lounging, while the Pantry has replaced the typical minibar.

There's quite the selection so you can turn your ice cream into a sundae.

At Beach Rouge, it's all about the Mediterranean. Equal parts beach club and restaurant, it evolves and metamorphoses throughout the day. Lunches are long and lazy. There's a seafood counter and a market-style meat one. You pick your cut and our chefs do their magic. Take a seat under the canopy or right on the beach. When the sun dips below the horizon, the entire Beach Rouge is lit up in an electrifying red tint, to which it owes its name. This shift in mood draws night owls for drinks at the bar, festive dinners, and why not some dancing to the beats of the resident deejay? For a moment, you'll feel transported to the bohemian-chic Ibiza or the crystalline coastline of a Greek island.

DUCK LAUNDRY

Gastronomic Chinese Restaurant

Dinner : 18:30- 22:00

Duck Laundry is our much-loved Chinese restaurant. The moody Chinese gastronomic restaurant is where you go for comforting family-style dishes and chef-driven tasting menus. Duck, one of the main features, is served in true Peking duck style. The menu incorporates some of the most-loved Sichuanese, Shanghainese and Cantonese dishes. A wide selection of artisanal dim sum are prepared onsite daily. Hand-picked teas, craft cocktails and spirits and wines, and a curated playlist all add to the electric atmosphere.

MAISON LUX*

Café & Bar

07:00 - 22:00

The chicest café in town draws its soul from the typical Milanese cafés that line the cobbled streets of the Italian capital. It's a place where one finds respite, inspiration, and fuel in the form of a perfect shot of espresso. Although coffee is served from dawn to dusk, Maison LUX* is attuned to the hour of the day. Come nightfall, the barista is replaced with the bartender. Located in the lobby, it's the perfect place to unwind after a long flight, refuel before heading out to explore for the day, and grab a last LUX* coffee to go before you leave.

THE MIXOLOGIST

Lounge Bar

Opens as from 10:00-00:00

With views of both the lagoon and the pool, The Mixologist is the dream holiday bar. No trip to Mauritius is complete without sipping cocktails (or delicious mocktails) there. It's the perfect spot for a mid-afternoon pick me up or aperitivo before dinner. Our skilled mixologists have crafted an inventive cocktail list. The menu also offers mocktails, wines and craft beers.
