History

Our resort is named after the term "l'escale" - French for "stopover" - that in turn was derived from the Latin "scala", reminiscent of the Ottoman Empire of the ports that were conquered by the Sultan. Used as a port of call to disembark boats, the modern terminology fittingly echoes our property as the ideal stopover for guests arriving by air, land or sea.

Location

L'Escale Resort Marina & Spa is ideally located on Mahé, next to Eden Island and in the vicinity of the capital city of Victoria. Seychelles International Airport is only 6 km away and can be reached within 10 minutes by car. With our central location on Mahé, we aim to be known as the preferred luxury *escale* for our accommodation, yachting, culinary and wellness experiences.
