Nestled in the South Ari Atoll, renowned for year-round sightings of whale sharks and manta rays, Nova is accessible via a short, scenic seaplane ride. Step into a world that uniquely harmonises the tranquil essence of traditional Maldivian serenity with a modern flair, where 76 land and overwater villas await, each a sanctuary for the soul.

Live in the moment, whether exploring the vibrant house reef, indulging in a spa treatment amidst the azure waters, or simply basking under the swaying palm trees. Here, happiness blooms effortlessly – a feeling of being truly cared for and at home, in paradise.

Welcome to Nova — where every day is a good soul day.
