Description Establishment
Located on the southwest coast of Mallorca, in the town of Palmanova, within the municipality of Calvià. Facing the sea and on the first line of the quiet marina, it offers direct access to the beach of Es Carregador, known for its golden sand, crystal clear waters and family atmosphere. Thanks to its privileged location, our establishment allows you to enjoy the tranquillity of Palmanova without giving up the proximity of areas such as Bendinat or Portals, just a few minutes away by car. It is the ideal starting point to discover the west of the island, with all services and shops just a few steps away. After a complete renovation in 2025-26, the property now offers elegant 1 and 2-bedroom suites, fully equipped with a kitchen, living room, full bathroom and furnished terrace with sea views. Our community is perfect for families due to its child-friendly facilities and the comfort and spaciousness of our apartments.
