At Herbal Hotel Boutique & Spa offers 120 thoughtfully designed rooms that blend the calm elegance of our Herbal Park-inspired style with effortless modern comfort and quality service. Natural materials, refined textures and a sense of understated luxury define the experience of At Herbal Hotel Boutique & Spa philosophy that celebrates the sophistication and wellbeing of the botanical world. Each room is individually curated and inspired by a signature plant—lavender, rosemary, chamomile, mint, clover, eucalyptus and more—creating a distinctive atmosphere where design, serenity, and nature come together in perfect harmony
