Inspired by ‘The streets of Dubai’, ibis Styles Jumeira has a lot of stories to tell, that of the bustling exhibitions, the dizzying array of colors and textures of the souks to some architectural marvels where one can immerse in a rich landscape of Emirati Culture. It’s a place that’s not just deeply rooted in the traditional culture of Dubai, but also has modernity written all over its ambiance. A place that’s welcoming and feels heartwarming, whenever a guest steps in. Ibis Styles Jumeira brings the best of both worlds for all leisure travelers and business personnels.
