## GENERAL INFORMATION

Club Resort Atlantis is located on one of the most beautiful beaches of the Aegean, awarded the Blue Flag, just 7 km from Seferihisar, Turkey's first "Cittaslow" city, and only 2 km from the charming fishing village of Sığacık, a popular film setting. The transfer time from İzmir Airport is less than one hour.
The resort spans an area about the size of ten football fields and consists of 2- to 3-story bungalows surrounded by nature, each with a balcony or terrace. It offers a total of 478 rooms in various sizes, featuring views of the sea, pool, or gardens. Selected rooms allow pets for a fee.
Nestled between the pristine Teos Bay and the bays of Seferihisar, the resort is surrounded by lush gardens resembling a botanical park with olive trees, citrus fruits, and organically grown vegetables used throughout the season to provide fresh, regional, and healthy food.
Facilities include several restaurants and bars, reception, shops, a hammam, spa, hairdresser, sauna, fitness area, three large swimming pools (including a saltwater pool, a pool with slides, and a quiet pool), baby pools, a baby care room, a kids' club, a fairy-tale world, an amphitheater, sandy beaches, sun terraces, an international diving school (CMAS, PADI, SSI), windsurfing school, watersports, conference rooms, and parking.
Families can enjoy unforgettable experiences with activities, live music, and cultural events throughout the season. Nearby attractions include the famous Sığacık market, the ancient city of Teos, ferry trips to the Greek island of Samos, and boat tours of the beautiful bays of Sığacık — all within easy reach.
The "Holiday on Stage" project allows artists to perform throughout the resort while spending holidays with their families. The resort's architecture embraces nature, offering spacious grounds of 100,000 m² and bungalow rooms with private entrances. It proudly holds the "Safe Tourism" certificate for reliable vacation experiences.
