ACCOMMODATION

Each suite and villa is a labour of love of interior designer Kelly Hoppen, and made to look like an architect or interior designer's holiday home. Settle in, relax, sunbathe, host some friends for a day party in your villa, take a dip in your private pool, or just do nothing— make yourself at home.

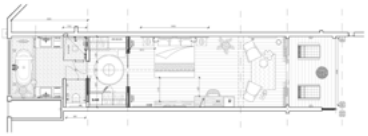

69 Superior Rooms (51 m²)

With views of the lagoon and a sun-drenched terrace or balcony, our Superior Rooms feel like an apartment with a beach house vibe. With fresh retro-chic bathrooms, these rooms can be connected to accommodate a tribe of travellers.

34 Junior Suites (56 m²)

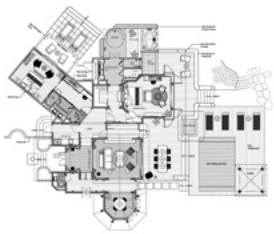

This suite offers the very best of island living. There's an eye-catching bathroom, with a glass walled garden, letting in natural light and sunshine (we could all use more vitamin D). The ground floor location provides easy beach access. The design, by Kelly Hoppen, immediately transports you to a chic beach house.

46 Wellness Junior Suite (51 m²)

Set on a peaceful cove, our Wellness Suite is the perfect choice for fitness enthusiasts, couples, or solo travellers. The beach house meets retro-chic rooms are fitted with an array of health-focused perks and amenities. With a standalone bathtub, indoor plants, and salmon-pink walls, it's as photogenic as it gets.

1 LUX* Villa (300 m²)

A 300 sqm Kelly Hoppen-designed villa set on its own peninsula with a sheltered, private beach? Yes, you can have it all! A private beach, a swimming pool, and a gazebo, all with views of the Indian Ocean. Designed with privacy in mind, there's a lobby, kitchen, living and dining area, and finally out onto the outdoor sundeck with its pool and gazebo. There's a master bedroom with floor-to-ceiling windows and French doors (and the most gorgeous bathroom). The second room has its own bathroom and terrace. And of course, rollaway beds and baby cots can be brought in to accommodate the whole tribe.

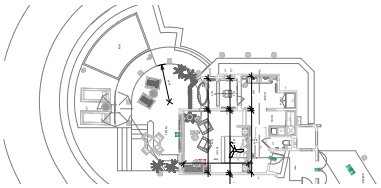

5 LUX* Suites (85 m2)

There's nothing quite like waking up in a spacious room with a beam of sunlight streaming through. The living room, perfect for curling up with a book, opens onto an outdoor terrace. The sofa bed can sleep a third person. There's a walk-in dressing room, a beautiful roomy bathroom with a tub and walk-in shower, and a second bathroom for extra privacy. A light-filled room. All the space a modern traveller needs. The little plus? The sound of the ocean will lull you to sleep.

2 Prestige Junior Suites (75 m²)

Bordering a sheltered bay, these incredibly spacious suites feel more like a home. Not only is the room itself spacious and beautifully decorated by Kelly Hoppen but there's also a 25 sqm terrace. There, you'll find chaises longues, comfy chairs in the shade, a cozy dining table, an outdoor standalone tub, and a jacuzzi. There are two Prestige Junior Suites set at the edge of the sheltered bay on the grown-ups-only side of the resort. In other words, tranquillity.

6 Family Suites (85 m2)

Cleverly designed to accommodate a family with a tribe of little travellers. With a King-size bed, a large sofa bed, and the possibility to bring in rollaway beds, this suite is ideal for families. Impeccably designed by Kelly Hoppen, this spacious suite has two equally spacious bathrooms with one featuring a big bathtub and walk-in shower and the other a rainfall shower. The furnished terrace provides a perfect spot to soak up the sun and chill out.

2 Ocean Villas (100 m²)

The Ocean Villas are set aside from the bustle of the resort, our Ocean Villa is a haven with two bedrooms and space to accommodate a family of travellers. Designed by Kelly Hoppen, it features its own swimming pool and sun deck, gorgeous tropical indoor bathrooms, and a neutral colour palette with a tinge of sea green. The 100 sqm villa and its manicured gardens overlook the Indian Ocean.

21 Ocean Junior Suites (70 m²)

These chic beach house-feel ocean suites with four-poster beds, all have a standalone bathtub on the terrace as well a rainfall shower with glass sliding doors, giving the option of indoor or outdoor. From your bubble bath, on your second-floor sun-drenched terrace, you can see the northern islets. You get the best views with privacy.
