Location:

WondersBeach is located in the north-west of Mauritius in Mont Choisy
Mont Choisy is undoubtedly Grand Baie's most prestigious address, an idyllic location with a rich history closely intertwined to that of Mauritius. Mont Choisy boasts some of the island's most popular happenings, including the landing of the first plane on Mont Choisy beach in 1933, or the first horse racing event in 1891.
Now the gateway to the North, Mont Choisy leverages its glorious past and ancestral assets to transform into a world-class estate, all the while preserving its historical heritage and the natural surroundings. It has become a lifestyle destination with houses, villas and various leisure areas. Mont Choisy has one of the most popular beaches in Mauritius which exudes perfect harmony between the sparkling water and the whitish sand, dotted with Casuarina trees.

WondersBeach is located approximately three quarter of an hour from the island's bustling capital city, Port Louis, and a fairly short drive away around 15 to 30 minutes from many of the phenomenal natural and historical sites like Triolet, Pamplemouses, Cap Malheureux.

From the International airport, it's about 70 kilometers away and the drive takes around 1 hour and 30 mins to reach Mont Choisy.

For around 10-15 minutes driving time in a car, we can reach the lively coastal village Grand Bay with a large choice of fashion and craft shops for clothes, jewelry, textiles and for souvenirs, and restaurants and exquisite night life
