DELUXE LARA

TITANIC HOTELS

The Titanic Hotels Group story began in 1993, but the real foundations of the ‘TITANIC’ brand were laid in 2003 when the ship-themed Titanic Deluxe Lara Hotel opened in Lara, Antalya.

The opening of the Titanic Deluxe Lara signified the AYG Group’s intention to expand and invest in the hotel sector. Buoyed by the success and synergy created by this new brand, the group decided to bring all their existing and future hotels under the umbrella of the TITANIC brand.

TITANIC HOTELS SUB-BRANDS

When it comes to operations and investments, the AYG group determine the sub-brands and concepts of their hotels according to the location and physical structure of the site.

The unique and exclusive service offered by Titanic Hotels is the result of years of experience. The hotels, which meet internationally recognised standards, are classified as follows.

Furthermore, the 'Hygiene and Health Procedure' meticulously followed in all TITANIC HOTELS has been reviewed, resulting in the introduction of the 'SAFE TOUCH' concept.

All our premises have 'SAFE TOURISM' accreditation, which is awarded by international auditing bodies and subject to regular, ongoing checks.
